

WEST ISLIP PUBLIC SCHOOLS  
WEST ISLIP UNION FREE SCHOOL DISTRICT  
WEST ISLIP, N Y 11795

SENIOR HIGH SCHOOL  
Kenneth Hartill, Principal

**RULES for STUDENT DRIVING/PARKING on CAMPUS**

All student cars **must** be registered and issued a parking permit before the vehicle can be parked on school property during the school day. Under no circumstances will unregistered cars be permitted on school property. The use of other motor driven vehicles, including snowmobiles, mini-bikes, motorcycles, motor scooters, all-terrain vehicles (ATV's) and other such vehicles is prohibited on any school grounds or areas except for authorized school functions or purposes.

Only 12<sup>th</sup> grade students with a valid senior operator's license (Class 5 only) and insurance card will be issued parking permits. License plate number, insurance policy number and company address will be part of the registrant requirements. **Each student must bring in a completed and signed application form, his/her senior driver's license, car registration, and insurance card to the grade office in order to receive a parking permit.**

Students and parents are reminded that the following rules and regulations shall be observed at all times:

1. Students **MUST** enter/exit the building through the Dance Studio doors only during the school day. Students who attempt to use other doors are subject to disciplinary action.
2. **No** parking is permitted in the front of the school, in the visitor's area, on the school access road, in areas reserved for loading and unloading school buses, or in the upper and lower faculty lots.
3. All students must park in the Barberry lot. No other place on campus is available to students. Arrival must be by 7:45 AM, at which point the gates will be locked until lunchtime. Students who arrive later than this will be referred to the Dean by security.
4. All students in a vehicle departing from campus must possess valid lunch and/or early release passes and be ready to show these to security as they pass through the gates.
5. Under no circumstances may underclassmen leave school grounds during the school day with a Senior unless administrative approval has been granted and an appropriate pass has been given to the underclassman by the Dean's office. Should underclassmen be found in a senior's car during school hours, suspension/revocation of the parking pass will result.
6. Seniors who are released for lunch may exit and return through the gated area to the Barberry lot from 10 minutes before the end of the period until 10 minutes into the start of the next period only. Late arrivals will be referred to the Dean.

7. No vehicle while operated upon a school driveway, access roads, or other thoroughfares may exceed a speed of 15 MPH, and no vehicle may exceed a speed of 10 MPH in areas designated for parking.
8. Any car operated in a dangerous or reckless manner will result in suspension (of at least 4 weeks' duration) and possible revocation of the student's parking permit.

**ATTENTION PARENTS AND JUNIOR LICENSE DRIVERS:**

As of 2002, the Department of Motor Vehicles changed their junior license privileges, turning the credibility of a junior license into a glorified permit.

At the present time, all junior license drivers in Suffolk County are permitted to drive under the following conditions:

1. Directly to and from a state approved work study program (Form MV-286) for which a student is receiving high school credit.
2. Directly to and from an approved post secondary institution (college or university). (Form MV-286.1)
3. Between 5 AM and 9 PM, the licenser may drive a vehicle unaccompanied directly from **home to work** and back home only. Any stop on the way to or from home/work is in violation of the law. A certificate of employment (Form MV-58) must be carried with the license. He or she may not drive during work hours or as part of his or her job.
4. Otherwise, between 5 AM and 9 PM the licenser may drive accompanied only by a parent, legal guardian, or certified driving instructor.

◆ **THIS MEANS ONE CANNOT DRIVE TO AND FROM HIGH SCHOOL WITH A JUNIOR LICENSE, EVEN WHEN GOING TO WORK AFTER SCHOOL.**

Therefore, in order to drive to school, students need a senior license, (18 years old), or have completed a driver education class with a blue card. This would then change *junior license* to *senior license* (Class 5) *privileges*. So, seniors must present a Class 5 license to the high school in order to be issued a parking permit.

**\*\*\*\*\* SIGNATURES ON THE PARKING PERMIT APPLICATION MEAN THAT YOU AND YOUR PARENT HAVE READ AND AGREE TO FOLLOW THESE RULES. \*\*\*\*\***

**DRIVE CAREFULLY !!!!!**
